

## **LAKE CHAMPLAIN CHAMBER MUSIC FESTIVAL ANNOUNCES WINTER ENCORE CONCERTS February 10-11, 2012**

World-renowned violinist Soovin Kim will be joined by the Old City String Quartet, and by clarinetist Romie de Guise-Langlois for the 2012 Winter Encore Concerts, featuring Bach, Schumann, and Brahms.

Romie de Guise-Langlois, praised as "extraordinary" and "a formidable clarinetist" by The New York Times, brings her elegiac tone to Brahms's autumnal masterpiece for clarinet and strings. The prize-winning Old City String Quartet, drawing from the musical lineage of both the Vermeer and Guarneri String Quartets, brings a youthful energy and musical conviction to the repertoire - this is a rising ensemble to watch and hear.

The concerts feature an inventive arrangement of a Bach partita, and Schumann's grand and lyrical Quartet in A, in addition to the Brahms's Clarinet Quintet. A meet-the-artist discussion follows both concerts.

Artistic Director Soovin Kim ignited the classical music world by winning first prize at the Paganini International Competition when he was only 20 years old. He was later named the recipient of the Henryk Szeryng Career Award, an Avery Fisher Career Grant, and a Borletti-Buitoni Trust Award. He has found many friends among the most eminent musicians of our day - friends he is now bringing back to the community which nourished him early on as a young violinist with the Vermont Youth Orchestra.

The Lake Champlain Chamber Music Festival is founded on the idea that bringing musicians, audiences, and students together makes not only for great music, but also for a rich and rewarding dialog for all. It is the Festival's aim to inspire and nurture a lifelong appreciation for classical music throughout the community.
